

AVA Membership Benefits

Training and Quality

- You will benefit from the help and support of our highly respected AVA Quality Service and bespoke vending training.

Knowledge

- We will send you the latest advice on upcoming legislation, ensuring that you receive authoritative support from the AVA Technical Committee. Updates on industry matters will be emailed to you regularly.

Communication

- We will ensure that the voice of the industry is presented to the media.

Lobbying

- As the voice of the vending industry, we will represent you in our dealings with governments in the UK, Ireland, and the rest of Europe. We also have close links with the European Vending Association (EVA).

Technical Support

- Our free Technical Helpline provides support on vending matters.

Networking Opportunities

- You will have the chance to participate in national and regional AVA meetings. Operators and suppliers will be invited to address vending issues at regular networking and social events.

Data

- We will provide you with information from the annual census which reflects the status of the industry.

Influence

- You will have an opportunity to influence the industry by serving on the AVA Board and/or the AVA Committees. You can also benefit from our close links with other trade bodies.

Promotion

- You can display the AVA logo as your quality mark on your publicity/liveries. Your details, together with links to your website will be included on www.ava-vending.co.uk
